

Job offer

The division of Cognitive Psychology at the University of Würzburg seeks applications for a

Post-doctoral Researcher or an Akademischer Rat auf Zeit (m/f/d)

starting 01.04.2023 or later with an initial contract duration of 3 years and possible extension. Provided that the requirements are met, remuneration will be according to pay grade E13 TV-L, if applicable A13. Under certain conditions the position may also be shared by two part-time employees.

The position comes with the following responsibilities:

- Teaching in Experimental and Cognitive Psychology (5 weekly contact teaching hours, SWS)
- Research in Cognitive Psychology
- Participation in research activities of the division in the field of Human Action Control
- Acquisition of third-party funding
- Support in organizational issues of the division

Your profile:

- A MSc degree and PhD in Psychology (or equivalent)
- A visible research profile in Cognitive Psychology, ideally in the field of Action Control (e.g. cognitive control, multitasking, agency, sensorimotor interaction, tool use etc.)
- Corresponding international peer-reviewed publications
- Experience with different research methods of Cognitive Psychology (e.g. programming of psychological experiments, EEG, virtual reality, motion tracking).
- Motivation to work in a team

For further information regarding the division please visit <https://www.psychologie.uni-wuerzburg.de/cog/startseite/>

The Julius-Maximilians-University is an equal opportunity employer. Qualified women are therefore particularly encouraged to apply. Applicants with disabilities are treated with preference given comparable qualification. For further enquiries please contact Wilfried Kunde by email or phone (+49 (0) 931 – 3182645). Please submit your electronic application (including CV, letter of motivation, list of publications, relevant certificates) as single PDF file until **31.10.2022** to wilfried.kunde@uni-wuerzburg.de.
